PROFITS IN GAME

Announcement by District Forest Ranger Fred Ames that a total of 438 deer were killed by hunters in the game management area of the Ocala national forest, and that a total of \$7,592.67 has been forwarded to

the state game and fish commission from the record sale of permits to hunters, calls attention to the possibilities of the game management policy on the forest from a sportsman's standpoint and as a revenue producer. One-half of the proceeds from sale of permits is returned on the federal forest service.

Permits sold by the Ocala forest office this year totaled 3,797, and although there was a shortage of ammunition, this was a high record for permits sales. Last year only 2,800 permits were sold. It was estimated by Mr. Ames that a total of 2,500 hunters were on the forest one day during the early part of the season—Ocala Star-Kanner.

Youth Fellowship Council Meets

The Council of Youth Fellowship of the Pahokee Methodist Church met last Thursday night to reorganize in accordance with rules and regulations suggested by Mrs. C. F. Parvin of Manatee, who assisted in conducting a training school recently in Pahokee.

The members voted to divide the Council into four commissions as follows:

Worship and evangelism commission which will present the programs each first Sunday night with Miss Fay Crawford as chairman and Mrs. R. J. Schroder, adult advisor. For its project this commission will create a worship center for young people each Sunday night and strive for greater variety in programs.

A community service commission will conduct programs each second Sunday night of the month under the direction of Donald Padgett, chairman, and Mrs. Frank Hestie, adult advisor.

As a project its members will edit a fellowship newspaper containing church news and addresses of service men and women of the church, copies of which will be sent to members in the service and to those attending colleges, schools and missions.

The world friendship and missions commission, with Miss Ozella Justice, chairman, and Mrs. T. A. Ferguson, adult advisor, will present programs on third Sunday nights and will hold a fellowship library for use as a source of materials for programs.

The fourth and last group, known as the recreation commission, with Lester Hutton, chairman, and Mrs. H. J. Anderson, adult advisor, will be in charge of the programs on fourth Sundays.

As a project for stimulating attendance and interest in Youth Fellowship activities, it will sponsor a party each month, the first to be a Valentine party.

The Council discussed the possibility of organizing a fellowship orchestra and appointed Lester Hutton to make a survey of musicians available and make a report to the next meeting. It was voted to advance the regular Sunday evening meeting hour from 7:15 to 7:30 p. m. and devote the first hour to the singing of folk songs.

The group also voted to sit together in the pews as a body during the church's Sunday evening worship hour.

Day of Prayer To Be Observed

For the past twenty-five years the first Friday in Lent has been observed as The World Day of Prayer in Churches, Schools, homes and now in wartime in many camps, factories and community centers. This year's observance will be on February 19th when a program prepared by a group of four writers in London on behalf of the Women's World Day of Prayer Central Committee for England, Wales and Ireland will be used throughout the world. The subject is "The Church Universal" and the beautiful guide to worship has as its theme a verse from 1 Peter "That ye should show forth the praises of Him who hath called you out of darkness."

ness into His marvelous light."

There will be many observances in schools and Churches and migratory camps throughout the Everglades. Observances for Belle Glade and Pahokee are being carefully arranged. Pahokee will hold the service in the High School again this year, at 2:30 p. m. when students and Ministers will share in the leadership and the entire student group and community may blend in the same experience of fellowship with Christian people around the world. Mrs. J. R. York is arranging for this program.

A MIGHTY DESIRE

People are always wanting something they can't have; it begins in infancy and continues through old age. However, desiring things unobtainable is not a foolish thing if we try to make them obtainable. It's surprising the number of things we have in our lives that once upon a time we felt we would never be able to get.

We want something, we set out to get it—and lo behold it's ours! "What wilt thou have," quoth God, "Pay for it and take it." We've paid the price for the things that we have, but oh I wish we'd pay the price for the things we need! It seems that things needed are so often the things neglected. Take, for example, family fellowship in the home. People need that so much, but we're not willing to establish it by the same hard work and time it takes to buy automobiles and cultivate the soil. We've substituted so many things simply needed for things really needed. We've laid hold of tangible things in so great a way I cannot help but wonder the inevitable outcome of more sorrow and care. I wish we would build mighty desires, then exercise the faith to fulfill these desires. "We are not wrong to want the things we need, but oh how miserably we have sinned in our failure to recognize what we really need! We are wrong to want to live; 'twould be wrong to want to die, but oh how miserably we've wanted things that lead to exactly that end."

I remember the story of a man

who wanted the Spirit of God, and not only did he want Him but he wanted Him mightily! (Mark how I refer to the Spirit of God as "Him"). That man had a great desire because he knew the formula for a great desire. He knew he needed faith, and not only faith but faith equal to the desire. So often we make the mistake of hoping great things and not

erecting a faith equal to the hope. Listen, our boys don't set out for Tokyo and Berlin in "outers". They fly the planes that will do the job, and so it is exactly in our quest for God. To find Him, to have Him, is not simply by a faith expressed in just so many words. J. Richard Heller, Pastor Canal Point Baptist Church

"My dad's calling me up tonight"

"I haven't seen him for some time."

"If you are not in the service, would you mind going easy on Long Distance between 7 and 10 tonight so his call can get through quicker?"

"Pop and I will be mighty grateful."

THOUSANDS OF ARMY VEHICLES USE SINCLAIR LUBRICANT

In saving wear and avoiding breakdown the U. S. Army uses Sinclair lubricants in many "Jeeps", tanks and other vehicles. Your Sinclair Dealer has the same quality lubricants to reduce wear in your car.

To save engine wear, he has Sinclair Opaline Motor Oil. Opaline stands up better and lasts longer because it is not only de-waxed but also de-jellied. Play safe; have your Sinclair Dealer drain and refill your crankcase with Opaline every 1,000 miles.

HOW THE "BROWNOUT" WILL AFFECT YOU!

Unlike the blackout and dimout regulations of the early years of the war, the new brownout order of the WPB to electric users is not concerned with military security. It is for conservation of vital fuels and is effective 24 hours of every day, starting February 1.

It is necessary to conserve fuels. One of the ways is by eliminating or reducing certain types of lighting at all times of the day or night.

There is no shortage of electric power. There is no fear of lighting silhouetting ships for enemy submarines, no serving as beacons to enemy planes. This WPB order seeks to save coal and other vital fuels by reducing or eliminating some electric lighting.

The types of lighting specifically affected are according to the order as follows:

- 1—Outdoor advertising and outdoor promotional lighting.
- 2—Outdoor display lighting except where

necessary for conduct of business of outdoor establishments.

3—Outdoor decorative and outdoor ornamental lighting.

4—Show window lighting except where necessary for interior illumination.

5—Marquee lighting in excess of 60 watts for each marquee.

6—White way street lighting in excess of the amount determined by local public authority to be necessary for public safety.

7—Outdoor sign lighting except for directional or identification signs using not more than 60 watts per establishment, for doctors and for hotels, and other public lodging establishments.

Remember: This WPB regulation is effective, day and night, starting February 1. Remember, too, don't waste ANY electric service just because it isn't rationed or specifically prohibited.

"Friends And Jesus" Is Class Topic

Forty-seven were in attendance last Sunday at the Pahokee Men's Bible Class, a group functioning under the sponsorship of the First Baptist Church, Rev. C. A. Moberg teaching. Thanks to the improvement in the weather, many more are expected to be present this Sunday. A most cordial invitation is extended to all unattached men of the community, visitors, and servicemen. An "all-out" program leading to 80 in attendance on Easter Sunday was inaugurated last week. Also, the time has arrived for another of the class popular fish and oyster fries. C. R. "Bud" Wroten, 1st vice president, is chairman of the fellowship committee which will arrange this event. Preparations for the serving of 100 will be made. The date will be announced this Sunday.

C. A. Bailey of Belle Glade was a most welcome visitor last Sunday. He expressed most favorably his sentiments relative to the accomplishments and influence of this group, and hoped this program would catch fire throughout this area. The class quartet will present two selections this Sunday. Rev. Moberg will teach the lesson "Friends and Jesus." The class meets each Sunday morning at 9:45, Lions building.

Fund Is Raised For Polio Victims

According to Malcolm Millar, General Manager of the Gold-Dobrow Theatre, the March of Dimes, under the supervision of J. R. York, President, was successfully carried out through collections taken at the Prince Theatre,

Pahokee, during the performance. Mr. Millar reports the total amount collected during the campaign was \$506.95. Of this amount Pahokee gave \$256.73 and Belle Glade, through the Woman's Club there, who through some misunderstanding at the theatre, did not get started on time but lost one day, \$250.00.

Pfc. C. E. Slonaker Killed In Action

Pfc. C. E. Slonaker, son of Mr. and Mrs. S. P. Slonaker of Cleveland and member of the 112th Infantry, was killed in action on the Western European Front on Dec. 24, according to word received here by his sister, Mrs. O. O. Gilbert. Pfc. Slonaker enlisted in the Army early last summer and completed 17 weeks of training before going overseas in September. He was engaged in the theater business in Spokane, Wash., before entering the service. Survivors also include two brothers in the service, one at Camp Swift Texas and the other home on leave after 19 months of duty in North Africa.

Tate And Pope Are New Lions

Cecil Tate, local representative for the Seaboard Railway, and Monroe Pope, who is associated with W. H. Vann, Inc., were received as new members of the Pahokee Lions Club at the weekly luncheon meeting, Tuesday.

It was announced that the director for the three-act play which the club is presenting in the school auditorium, on the nights of Feb. 22-23 will arrive next week to start rehearsals. The cast will be made up entirely of local talent.

Frank Rozelle, chairman of the North Glades District, GSC of BSA, announced a Boy Scout and Cub rally at the Elma Park on the evening of Feb. 12 and requested all parents of scout and cub and friends of scouting to be present as guests.

Guests at the Lions luncheon next week will be members of the Everglades Business and Professional Woman's Club who will present the program. An interesting letter to club members from Cpl. Lynn Harbee, local Lion in service who is recuperating from wounds at a hospital in England, was read at meeting.

Guests included Belle Glade Lion Mathias A. Kallenbruner of West Palm Beach, Ralph Stanley and Rev. Carl A. Moberg.

A Scout Stands Watch...

Yes, a considerable percentage of Merchant Marine officers and men were Boy Scouts in their youth. Of these, many were Sea Scouts, an important group within the Boy Scouts of America.

Steeped in America's traditional love of ships and far places, many a former Sea Scout stands watch at the wheel of a Liberty ship which carries precious cargo to the fighting fronts... many a perilous voyage has been guided through sub-infested waters by mariners with Sea Scout training... for Scouting in all its branches develops the American love of team

work, responsibility and high adventure... of freedom and wide horizons.

The Belcher Oil Company joins with the men of the Merchant Marine to congratulate the Boy Scouts of America on their 35th birthday being celebrated from February 8th to 14th. May you continue in that spirit of Scout brotherhood and loyal citizenship which will play such an important part in future world understanding!

Cub Pack Scouters Held Interesting Meeting

At the regular monthly meeting of the Canal Point Cub Pack 24 in the school auditorium last week an interesting program was presented by members of Den Three. A skit based on the classic fable of "The Race of the Tortoise and the Hare" was acted by the cuba who also gave a re-sounding demonstration of their den yells and songs. Mrs. Frank O'Connell is den mother of Den Three and Harry Fremd, den chief. Members include Frank Rosenberg, Franklin Howells, Percy Teeter, Jr., Jackie Bowen, Jimmy O'Connell, Hal Rosenberg, Wiley Howell and Charles Sears. Harold Rosenberg, cub committee member, was a visitor. Nine cubs, 11 applicants and three parents were present. Cubmaster Fremd again stressed the importance of cub parents attending the monthly pack meeting and

urged all members of the pack to persuade their parents to come with them at the next meeting.

Mobergs Report On State Convention

At a meeting of the Pahokee First Baptist Woman's Missionary Union at the church Monday afternoon a report on the recent Baptist Convention in Jacksonville was given by Rev. and Mrs. C. A. Moberg. The work of Baptist missionaries in India was stressed in the reports. Reports were also given on the Baptist Palm-Lake Association meeting held recently in Belle Glade with Mrs. J. C. Mock, Mrs. Margaret Thompson, Mrs. D. W. Crocker, Mrs. L. M. Mullis and Rev. Moberg attending as local delegates. Scripture passages were read by members present in response to the roll call and Rev. Moberg led in group singing.

Thoroughness

About four years ago we rode out to see the fall crops and stopped by the Van Landingham's new potato field about eight miles this side of Belle Glade. There had been a lot of rain. The water level in the Hillsboro Canal was four feet higher than just over the Van Landingham's dyke where only one pump was running at 60 per cent capacity to keep their pump basin at correct level. The boys were not worried about that 200 acres of new potatoes. They had planned thoroughly. They knew their job . . . they were off playing golf. They made real money from that crop.

That is the type of thoroughness Anthony's has tried to weave into this business over its 49 years of history.

We have shoe men who know the art of fitting the foot . . . clothing men who have spent a lifetime, almost, studying styles and who know how to fit your clothes correctly.

We have women specialists who can bring you first hand information from the style centers of the country and render a service equal to home in this part of Florida.

Our children's shop is a unit supreme in its endeavor. The hundreds of satisfied customers among the little folks is one of the happiest joys of our business career.

Make Anthony's your headquarters when in town!

Ramblers Win From B. G. Town Team

The Pahokee Ramblers—town team basket ballers—went over to Belle Glade Tuesday night and engaged the town team in an evening of basket ball at the outcome was Pahokee 48, Belle Glade 16. Those who saw the game say it was an interesting affair with many sports of speed being shown during the fracas.
